InGRID-2 Expert Workshop on the Non-take-up and Coverage of Social Benefits

Tim Goedemé, PhD

**University of Oxford & University of
Antwerp**

Welcome

- Welcome!
- COVID-19:
 - Currently only events of 1000+ persons
 - Please observe minimum precautions: (additional) hand washing with soap; shaking hands; food consumption coffee breaks
- Online streaming & Presentations Skype

Streaming and Skype

- Link only meant for participants
- Recording presentations: potential publication online after workshop only for those who agree, other video recordings will be destroyed immediately after the workshop
- Those following on Skype can respond: management by chairs of sessions

This workshop & presentation

- Non-take-up (first part) and coverage (Friday)
- Funded by InGRID-2; but also supported by FPS Social Security and TAKE project (Belspo) (<https://takeproject.wordpress.com/>)
- What follows:
 - InGRID 2
 - Non-take-up
 - Programme

InGRID

AN INTEGRATING EUROPEAN SOCIAL SCIENCES RESEARCH INFRASTRUCTURE

What kind of research InGRID facilitates?

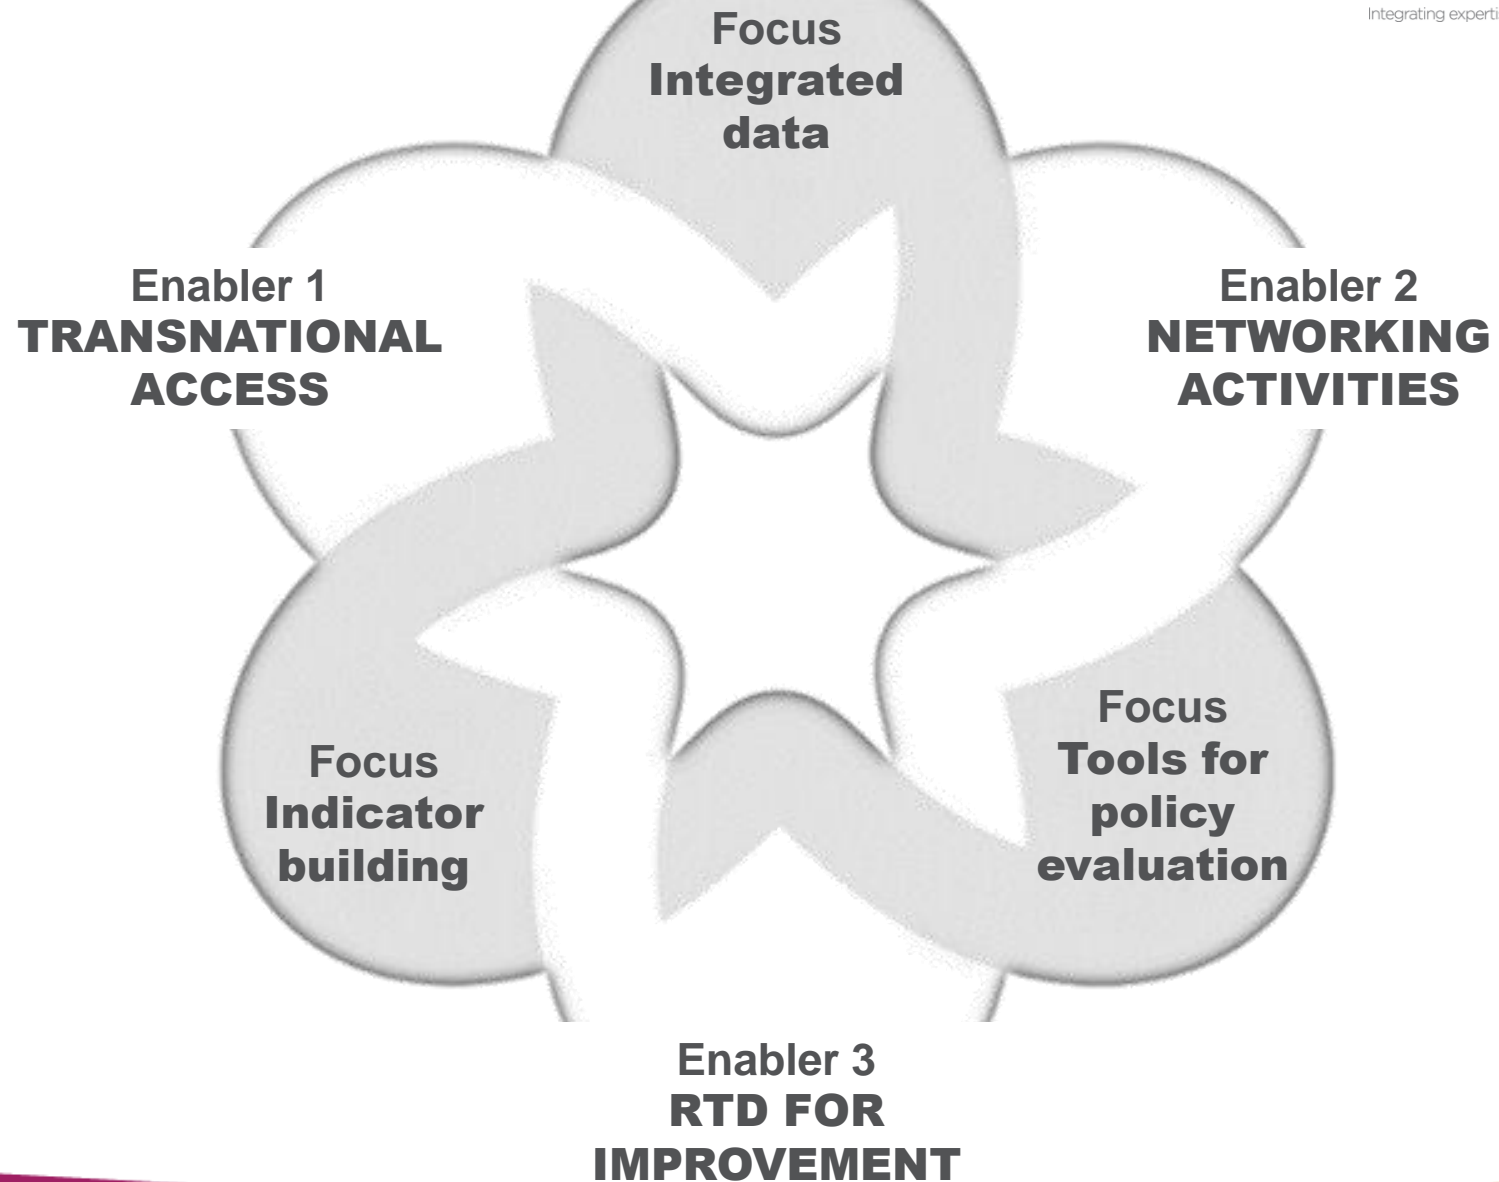

Facilitating top-level research ...

... Evidence-based policies

Facilities and services of InGRID

Transnational Access: Visiting grants

Access to 16 European research infrastructures

Who can apply?

- Early-stage or expert researchers
- Employed in EU Member States & associated countries

What is offered?

- Work together on data between 5 and 15 days
- Free-of-charge
- Reimbursement travel costs & subsistence allowance
- Individual or in group
- (linked to attending summer school or expert workshop)

How to apply?

- Call every 4 months; see website

Networking activities: summer schools

- Raising the competence level of early-stage researchers
 - Knowing, explaining, understanding, forward looking & sharing
 - 2,5 or 5 days
 - Keynote lectures on core themes by experts
 - Hands-on exercises
 - Possibility to present their own work
- 6 x training events on advanced poverty and social policy research (LISER, DIW, CEPS)
- 3 x 5-day training events on advanced labour studies (CNAM, UvA, CEPS)
- 8 x 2,5-day training events on the use of EUROMOD (UA, UEssex)

Networking activities: expert workshops

- Targeted at senior researchers and other experts
- Identify and discuss key technical issues and possible solutions in particular areas of InGRID
- Structured in relation to the JRA
 - 8 x 2-day workshops on ‘Innovative tools and protocols for the poverty and living conditions’ pillar
 - 5 x 2-day workshop on ‘Innovative tools and protocols for the working conditions and vulnerability’ pillar

Networking activities

- 8 x Special interest groups
 - Specific community within the InGRID community-of-interest
 - Advancing a specific area of methodological knowledge
 - Dynamic microsimulation
 - Reference budgets
 - Big data and work 2.0
- 8 x Data forums
 - For data providers, research-users, stakeholders
 - Challenges of particular data types → suitable actions
 - Data on household finances
 - Census data
 - WageIndicator websurvey
 - National working conditions surveys
- 2 x Stakeholder platforms
 - Identify emerging best practices
 - Discuss synergies and options for joint development efforts

JRA Poverty & Living conditions

- Data integration/harmonisation
 - Extension of Integrated Poverty and Living conditions Indicators System (IPOLIS) in scope and coverage
 - Exploration of harmonisation longitudinal data on educational careers
 - Data linkages (and small area estimation) from statistical standards perspective
 - Combining data tools for dynamic microsimulation
- Improvement of analytical tools
 - Conceptualisation and measurement of non-take-up and coverage
 - Extending EUROMOD (new policies and new tools)
 - Integrating data on welfare services
 - Small area estimation techniques and regional poverty measurement
- Valorisation/reporting tools and new indicators
 - Hypothetical Household Tool (HHoT): policy indicators
 - Indicator protocols on migrants' social rights
 - Demographic factors and poverty indicators

Non-take-up

- Non-take-up of a social benefit: being eligible for taking it up, but not receiving the benefit (primary vs. Secondary non-take-up)
- Non-take-up of participation: being eligible for being part of the covered population, but not being part of it (e.g. voluntary social insurance programmes)
- Tertiary non-take-up: not being eligible, in spite of need

(forthcoming InGRID 2 paper)

The programme

- Most sessions: 30 minutes for each presentation + discussion, max. 20min. presentation
- Limit questions during presentations to minimum required for understanding the presentation, comments and suggestions for thereafter
- Enjoy! – looking forward to discussions
- Take a walk outside...

Thank you!
